Urma

got to give me something, Lord  
got to waste a little penny for me  
put your wheels in motion now  
and help me believe

cannot wait to hear your voice  
got to spare a little wonder tonight  
use your knowledge, help me out  
no riddles, no fight

one answer, all i need from you  
one answer, show me what is true  
one answer, are you there for real

can you see my question marks?  
got to help me understand your game  
break the rules, enjoy your play  
just don't lose your faith

got to show yourself tonight  
got to waste a little penny for me  
show your face, enjoy the light
