

## Broke

Us The Duo

Money can't seem to find my pockets now  
Mum said don't worry, that I'll figure it out  
Easier said than done  
Maybe I'll just run away

'Cause if I disappear these bills might pay themselves  
And if I leave this town the collectors won't find out  
Who am I kidding, it don't matter where I go  
Money rules the world but I'm still broke  
Whoa-oh-oh-oh, oh

Pieces of paper, rule my life somehow  
Save some for later, but I need it now  
Easier spent than saved  
Now I got nothing to my name

'Cause if I disappear these bills might pay themselves  
And if I leave this town the collectors won't find out  
Who am I kidding, it don't matter where I go  
Money rules the world but I'm still broke  
Whoa-oh-oh-oh, oh  
Whoa-oh-oh-oh, oh  
Whoa-oh-oh-oh, hmm ooh

My mom's got bills to pay  
Your dad's got bills to pay  
My paw's got bills to pay  
And grandma's got bills to pay  
And I've got these bills to pay  
And you've got these bills to pay  
And we all got bills to pay  
And let's all go run away

Easier said than done  
But my wallet's never won

'Cause if I disappear these bills might pay themselves  
And if I leave this town the collectors won't find out  
Who am I kidding, it don't matter where I go  
Money rules the world but I'm still broke  
Money rules the world but I'm still broke  
Money rules the world but I'm still broke
