

Homesick Lullaby

Us The Duo

Nothing round here seems familiar
I wish I could be home again
All I have left are the memories
And those always come to an end

But my bed isn't far behind
It's right where I left it last
If I had one wish I would book me a ticket
And a plane to take me back

Homesick lullaby
You always know how to make me cry
Till I'm back where I belong
I'll be singing the same old song
My homesick lullaby

I'm thinking about all the good times
But the memories seem so far away
I gotta get out of this madness
To my own paradise hideaway

But my bed isn't far behind
It's right where I left it last
If I close my eyes and I dream how it looks
At least my mind can go back

Homesick lullaby
You always know how to make me cry
Till I'm back where I belong
I'll be singing the same old song
My homesick lullaby

I wish that I could explain it
The feeling that comes with home
You know what it is once you left it
Now I'm dreaming that I can go

Homesick lullaby
You always know how to make me cry-cry-cry
Till I'm back where I belong
I'll be singing the same old song
My homesick lullaby

Ooh, ooh-ooh-ooh-ooh, ooh, ooh
Ooh, ooh-ooh-ooh-ooh, ooh, ooh
Ooh, ooh-ooh, hmm-mmh
