

No Matter Where You Are

Us The Duo

I will stay by you
Even when we fall
I will be the rock, that holds you up
And lifts you high so you stand tall

I won't let you go
No one can take your place
A couple fights & lonely nights
Don't make it right to let it go to waste

I won't let you fall
I won't let you go
No matter where you are
No matter where you are, I'll be there
No matter where you are
No matter where you are, I'll be there

I will hold on to
Everything we've got
A quitter, a regretter, and forgetter is
Everything I'm not

I'll take care of you
And love you just because
You and I are better than forever
Nothing can stop us

I won't let you fall
I won't let you go
No matter where you are
No matter where you are, I'll be there
No matter where you are
No matter where you are, I'll be there

We can be the generation
Who learns how to love
Mistakes & empty promises
Will never be enough
To tear apart the giant hearts
That beat inside us now
Let's conquer the percentages
And rise above the crowd

I won't let you fall
I won't let you go
No matter where you are
No matter where you are, I'll be there
No matter where you are
No matter where you are, I'll be there
No matter where you are
No matter where you are, I'll be there
I'll be there
I'll be there
