

Slow Down Time

Us The Duo

Our life wasn't always quite like this
Used to kick back and relax, yeah, it was pure bliss
Then suddenly, things changed
And our life was rearranged
Every moment goes by so fast

My days would always start with you
We would wake up, hold hands with nothing to lose
The seconds lingered on as we played our favorite songs
Now every moment goes by so fast
Mmm

Can we slow down time?
Just you and I
Lights are flashing, people move
But when I look into your eyes
We can slow down time

Baby, we can slow-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Baby, we can slow-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Mmm

Our life is busier these days
We can't keep track of the memories we make
The scenery will change
Will you still love me the same?
Let's freeze the moment before it's passed
Mmm

Can we slow down time?
Just you and I
Lights are flashing, people move
But when I look into your eyes
We can slow down time

Baby, we can slow-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Baby, we can slow-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh
Mmm

Can we slow down time?
Just you and I
Lights are flashing, people move
But when I look into your eyes
We can slow down time

Can we slow down time?
Just you and I

Lights are flashing, people move
But when I look into your eyes
We can slow down time
Can we slow down time?
Just you and I
Lights are flashing, people move
But when I look into your eyes
We can slow down time
We can slow down time
We can slow down time
