

Take Me Home

Us The Duo

I'm only happy when I'm with you
Home for me is where you are.
I try to smile and push on through.
But home for me is where you are.

They tell me that I'll make it.
It'll only be a while.
But a while lasts forever
Without you...

Send out the alarms
I'm all alone
Wrap me in your arms
Take me home
Take me home
To your arms...

I won't be happy 'till I'm with you
Home for me is where you are.
These four walls are nothing without you.
Home for me is where you are.

They tell me that I'll make it.
It'll only be a while.
But a while lasts forever
Without you...

Send out the alarms
I'm all alone
Wrap me in your arms
Take me home
Take me home
To your arms...

Send out the alarms
I'm all alone
Wrap me in your arms
And take me home
Take me home
Take me home
Take me home
To your arms...
