

# I Can't Sleep

US5

You don't like my style  
I feel I'm not your type  
My life turns around  
I'm thinking of you every day

They keep telling me  
Don't go wastin' time on this sweet fantasy  
But it's not coming through  
'Cause all I ever wanted was you

Late at night when I'm walking alone  
I got the feeling that you don't even know  
'Bout the thoughts that are hidin' inside  
It's time for you to get in my life

I can't sleep late at night  
I can't eat, I just cry  
I need you in my life  
So tell me where you're sleepin' tonight

You keep playin' me  
Like I'm some kind of creep  
I wish you would see  
I'm more than just an average guy

I must be a fool  
Because I keep on running chasin' right after you  
Tell me what to do  
To get a chance to be next to you

Late at night when I'm walking alone  
I got the feeling that you don't even know  
'Bout the thoughts that are hidin' inside  
It's time for you to get in my life

I can't sleep late at night  
I can't eat, I just cry  
I need you in my life  
So tell me where you're sleepin' tonight

I can't sleep late at night  
I can't eat, I just cry  
I need you in my life  
So tell me where you're sleepin' tonight

Late at night when I'm walking alone  
I got the feeling that you don't even know  
'Bout the thoughts that are hidin' inside  
It's time for you to get in my life

I can't sleep late at night  
I can't eat, I just cry  
I need you in my life  
So tell me where you're sleepin' tonight

I can't sleep late at night  
I can't eat, I just cry

I need you in my life  
So tell me where you're sleepin' tonight

I can't sleep
