

# Your Love

US\$5

Girl, the only way to make things right  
Is for us to be satisfied  
So why you wanna waste my time

I've been thinking 'bout you day and night  
I can't continue with this life  
You better make up your mind

People say I shouldn't be so blind  
Beggin' after all this time  
But your love is my love, it's something I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

Girl I need an explanation now  
On what this love is all about  
And how we're gonna work this out

Time (time) is passin' right before your eyes  
We gotta make a sacrifice  
Or maybe we should think twice

People say I shouldn't be so blind  
Beggin' after all this time  
But your love is my love, it's something I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'
