

## Lonely Heart

Useless ID

Grab me I can't see you falling down leave all the past behind  
nothing can not stop us don't look back it will be a big mistake  
just a waste of time, for us there is no future unless you will  
try cause I can take a look straight at your eyes but you can't  
take a look at mine you will just keep on telling me, telling  
me lies. Still think that I won't mind. Still think that I won't  
find. What's locked up deep inside. Inside your lonely heart  
.
