

## Next Contestant

Usher

Baby, look what you doing  
You got every man you pass by trying to holla at you  
Baby, you ain't even choosing  
And that's just what I like about you, you're interesting  
I want to be your next contestant

(So I'ma tell you want you want to hear)  
'Cause I know it takes much more  
Than what's your sign or damn you're fine  
Look like you havin a good time, baby  
(I'm not gon' let you leave me standing here)  
Wondering what it would have been like if I'da said it ain't a thang  
But first I gotta know your name  
She said I gotta play the game

If I wanna be the next contestant  
She can point me in the right direction  
Now she got me so interested  
Guess I gotta play the game  
If I wanna be the next contestant  
Ooh baby, I'ma come on down

Baby, you're a star tonight 'cause you got a smile that's so incredible  
Plus you doin everything I like  
And lady, you know I'm your type  
I should be the one you're next to, ooh I want you  
Know you see it girl so don't fight it, no

(So I'ma tell you what you wanna hear)  
Girl I know it takes much more  
Than what's your sign or damn you're fine  
Look like you havin a good time, baby  
(I'm not gon' let you leave me standing here)  
Wondering what it would have been like if I'da said it ain't a thang  
But first I gotta know your name  
She said I gotta play the game

If I wanna be the next contestant  
She can point me in the right direction  
Now she got me so interested  
Guess I gotta play the game  
If I wanna be the next contestant  
Ooh baby, I'ma come on down

(It's my turn at the wheel to spin  
And I know you looking at me wondering what's my bid, baby)  
I was thinking we could chop it up and later on we can run away, yea-yeah  
(So interested, who will she pick, I gotta be the one to win)  
But in order to get her name and let the info exchange  
She said I gotta play the game

If I wanna be the next contestant  
She can point me in the right direction  
Now she got me so interested  
Guess I gotta play the game  
If I wanna be the next contestant  
Ooh baby, I'ma come on down
