

Stone Kold Freak

Usher

You a stone-kold freak
Yeah, uh, uh, you a stone-kold freak
Yeah, you a stone-kold freak
Perfect for me 'cause you a stone-kold freak
Turn the lights on

Love when you lay on my lips like this (Yeah)
Perfect reason for me, me, me to stay home
And make love to you
Liquor on your tongue when I ki-, ki-, kiss
Grippin' all on your hips, I need to stay warm
So, girl, don't you move
Especially when you say you miss it
Your attention turns me on
Your body knows what my body wants

Ay-ay-yeah, ay-ay-yeah
No sleeping, just stone-kold freakin'
We'll be freakin' all night long
Ay-ay-yeah, ay-ay-yeah (Aw, yeah, aw, yeah)
No sleeping, just stone-kold freakin'
Your love is my favorite song

You a stone-kold freak
Perfect for me 'cause you a stone-kold freak, yeah
Yeah, you a stone-kold freak, yeah
Perfect for me 'cause you a stone-kold freak

Daydreamin' 'bout different positions
I'll be sure to ask your permission first
I like it kinky (I do)
Right after you make your decision
I'm gon' make my incision, girl
It's best you tease me, oh

Especially when you say you miss it
Girl, your attention turns me on
Your body knows what my body wants

Ay-ay-yeah, ay-ay-yeah
No sleeping, just stone-kold freakin'
We'll be freakin' all night long
Ay-ay-yeah, ay-ay-yeah (Aw yeah, aw yeah)
No sleeping, just stone-kold freakin'
Your love is my favorite song

You're a stone-kold freak
Perfect for me 'cause you a stone-kold freak, yeah
Yeah, you a stone-kold freak
Stone-kold freakin'
'Cause you a stone-kold freak

Hey there, shy girl
That shy routine was sexy, but now we're alone
That ain't what you said on the phone
I saved every message, so, baby, I know what you want
All night entertainment, I got it, your body all over my body (Girl)

No more talking, girl, it's time to show me
Wanna see if you a stone-kold freak

Ay-ay-yeah, ay-ay-yeah (Aw yeah, oh yeah)
No sleeping, just stone-kold freakin' (Stone cold)
We'll be freakin' all night long
We'll be going all night
Ay-ay-yeah, ay-ay-yeah
Ay-yeah, ay-ay-yeah
No sleeping, just stone-kold freakin'
Stone-kold freakin'
Your love is my favorite song

You a stone-kold freak
Perfect for me 'cause you a stone-kold freak, yeah
Yeah, you a stone-kold freak, yeah (Bring it to me)
Perfect for me 'cause you a stone-
kold freak (Then you'll see, I'll never go, babe)

Stone-kold freak (Oh, babe)
Perfect for me 'cause you a stone-kold freak (All of the madness, baby)
