

# Wait For It

Usher

Wait for it, wait for it  
Wait for it, wait for it  
Wait for it, wait for it  
Wait for it, wait for it

Theodosia writes me a letter every day  
I'm keeping the bed warm while her husband is away  
He's on the British side in Georgia  
He's trying to keep the colonies in line  
Well he can keep all of Georgia  
'Cause Theodosia, she's mine

Love don't discriminate  
Between the sinners and the saints  
It takes and it takes and it takes  
And we keep lovin' anyway  
We laugh and we cry and we break  
And we make our mistakes  
And if there's a reason I'm by her side  
When so many have tried  
I'm willing to wait for it  
Then, I'm willing to wait for it

My grandfather was a fire and brimstone preacher, preacher, preacher, preacher  
But there are things that the homilies and hymns won't teach ya, teach ya, teach ya, teach ya  
My mother was a genius, genius, my father commanded respect, respect  
When they died they left no instructions, just a legacy to protect

Death don't discriminate  
Between the sinners and the saints  
It takes and it takes and it takes  
Yeah, we keep living anyway  
We rise and we fall and we break  
And we make our mistakes  
And if there's a reason I'm still alive  
When everyone who loves me has died  
I'm willing to wait for it  
Then I'm willing to wait for it, wait for it, wait for it...

(Wait for it, wait for it  
Wait for it, wait for it)  
I am the one thing in life I can control  
(Wait for it, wait for it  
Wait for it, wait for it)  
I am inimitable, I am original  
(Wait for it, wait for it  
Wait for it, wait for it)  
I am not falling behind or running late  
(Wait for it, wait for it  
Wait for it, wait for it)  
I am not standing still, I am lying in wait  
(Wait for it, wait for it  
Wait for it, wait for it)  
Everyone faces an endless uphill climb  
You got something to prove, you got nothing to lose

Everyone's pace is relentless, you waste no time, time  
What is it like in his shoes?

Life don't discriminate  
Between the sinners and the saints  
Taking me, taking me, taking...  
And we keep living anyway  
We rise and we fall and we break  
And we make our mistakes  
But I know there's a reason I'm alive  
So many have died  
And I'm still waiting for it  
I'm willing to wait for it

Life don't discriminate  
Between the sinners  
And the saints  
It takes and it takes and it takes  
And we keep living anyway  
We rise and we fall and we break  
And we make our mistakes  
And if there's a reason I'm still alive  
When everyone who loves me has died  
I'm willing to wait for it (Yes I am)  
I'm willing to wait for it, wait for it, wait for it

I'm willing to wait for it  
I'm willing to wait for it, wait for it, wait for it  
I'm willing to wait for it  
I'm willing to wait for it, wait for it, wait for it  
I'm willing to wait for it  
I'm willing to wait for it, wait for it, wait for it  
I'm willing to wait for it  
I'm willing to wait for it, wait for it, wait for it
