I've learnt that even the things that cannot be broken
Sometimes break
By mistake just now

In my room I search for

Your lingering scent
And your warm shoulders
And your warm shoulders

I thought about believing
Even in what's unproven
Around when a small night
Of an unknown town ended

I forgot about the half-drunken wine
And dreamt
And dreamt
With tipsy you

I miss you

In my room I search for
Your lingering scent
And your warm shoulders
And your warm shoulders
