If I turn back time  
Will you be mine?  
If I turn back time

Things I couldn't tell anyone  
Not even my boyfriend or my family  
I could always tell you  
That's why I was able to bear any kind of loneliness, endure any fate

Who else can make me laugh  
As I stand weeping in never ending rain  
But you?

For so long we've been too close  
I couldn't say I love you  
I keep in my heart a spell that can turn back time  
And carry on with the day

That one time we kissed  
And even went a bit further  
But the two of us can't be kept within the confines of romance  
That's what it is, what it is, what it is

To be the only one that can soothe you  
As you weep because your lover dumped you  
How fortunate I am

But I wanted to hold you

And tell you I love you  
I keep in my heart a spell that can turn back time  
And carry on with the day

For so long I wanted to ask you  
How you feel, and I couldn't  
Who was I trying to protect with my lies?

The chances I have missed  
Have given me more than you'd think  
Water spilled can't be put back in the glass  
So much so that I wish  
I could let the two of us back when we met know  
We're so much hotter now

My friend  
Let's stop noticing things after they're gone  
Let me give you  
A spell that can turn back time

If I turn back time  
Will you be mine?  
If I turn back time
