I'm working excitedly
It's a Friday afternoon
I hail a cab easily (I'm gettin' in)
I'm coming for you

"Where are you headed?"
Just over there
"That's not good for my business" ("I'm closing the door")
"Watch out for the door"

I ride in the wind and arise to the moon
My place is next to you
Suddenly, I'm brought back
Like a spring night dream

Traveling (I'll give you)
Traveling (a ride)
We will illuminate the asphalt
Traveling (where)
Traveling (are you going?)
We can go as far as you want

Traveling (shake)
Traveling (harder)
I've got the urge to break something
Traveling (go even)
Traveling (go faster)
We are not in a rush though

I have a song I want you to hear
It's on an endless loop
It will stir your feelings
Just like I wanted

I play with the waves and attracted the clouds

And I finally meet you
Because our youth is fleeing
Like dust in the wind

Traveling (give me)
Traveling (your heart)
I'll show off more than usual
Traveling (don't stop)
Traveling (here)
We haven't reached our destiny yet

Traveling (lower)
Traveling (the window)
I'm in a fearless mode
Traveling (stop)
Traveling (here)
It all depends on how I feel

Everyone, it's time to dance
I could not wait for tonight
My hidden desire is aching
Everyone, it's time to party
I wonder why
I'm still a little uncertain

Traveling (I'll give you)
Traveling (a ride)
We will illuminate the asphalt
Traveling (where)
Traveling (are you going?)
Here come's the good part

Traveling (shake)
Traveling (harder)
I've got the urge to break something
Traveling (go even)
Traveling (go faster)
I'm afraid of stopping
