Apple And Cinnamon

Utada

Tell me what is on your mind
Help me, 'cause I'd like to know
What the hell is going on?
Never thought I'd sing this song

Let's not get started with the he said, she said
Sometimes it just doesn't go on as planned
Let's not get started with the he said, she said
Sometimes it just doesn't go on as planned

Started out so simple and innocent
So simple and innocent, so simple and innocent, so simple and innocent
Chemistry like apple and cinnamon
Like apple and cinnamon, like apple and cinnamon, like apple and cinnamon

I can't believe that you and me were falling out of love
And that everybody used to be so envious of us
(Chemistry like apple and cinnamon)
What we had was just too good
Good to last

Happiness don't last that long
But what we had was beautiful

Let's not get started with the he said, she said
Sometimes it just doesn't go on as planned
Let's not get started with the he said, she said
Sometimes it just doesn't go on as planned

Started out so simple and innocent
So simple and innocent, so simple and innocent, so simple and innocent

Chemistry like apple and cinnamon
Like apple and cinnamon, like apple and cinnamon, like apple and cinnamon

I can't believe that you and me were falling out of love
And that everybody used to be so envious of us
(Chemistry like apple and cinnamon)
What we had was just too good
Good to last

Please don't look at me like that, oh
Please don't look at me, don't look at me like that, oh
You can't look at me like that, aah
Please don't look at me, don't look at me like that, oh

I can't believe that you and me were falling out of love
And that everybody used to be so envious of us
(Chemistry like apple and cinnamon)
What we had was just too good

Started out so simple and innocent
So simple and innocent, so simple and innocent, so simple and innocent

Chemistry like apple and cinnamon
Like apple and cinnamon, like apple and cinnamon, like apple and cinnamon

I can't believe that you and me were falling out of love
And that everybody used to be so envious of us
(Chemistry like apple and cinnamon)
What we had was just too good
Good to last
