

# Juicy

V. Bozeman

I think I'm fallin' for ya, baby  
I try not to show it, yeah  
I'm contemplatin' every time you stay  
Hope I don't blow it  
But if it goes down  
Then it goes down

You got the best of me  
When you kissin' me  
Make it hard to turn you down  
You undressin' me with your eyes  
And I ain't got a problem puttin' out

So, say, babe  
What you wanna do?  
Got my body in the mood  
I be tryin' to play it cool, baby  
But tear it up  
Eat me like it's food  
You do me and I do you  
Long as we get comfortable

Don't get mad if I don't call you back  
I can't help it that I'm such a snack  
Juicy for ya  
Juicy for ya  
I can make it juicy, juicy for ya

Think I'm fallin' for ya, babe  
Your touch it like magic, yeah  
Permission to go lower baby, yeah  
That's just automatic  
But if it goes down  
Then it goes

You got the best of me  
When you kissin' me  
Make it hard to turn you down (hard to turn you down)  
You undressin' me with your eyes  
And I ain't got a problem puttin' out

So, say, babe  
What you wanna do?  
Got my body in the mood  
I be tryin' to play it cool, baby  
But tear it up  
Eat it till you full  
You do me and I do you  
Long as we get comfortable

Don't get mad if I don't call you back (yeah, yeah, ooh)  
I can't help it that I'm such a snack (yeah)  
Juicy for ya  
Juicy for ya  
I can make it juicy, juicy for ya
