

# You Can't Break Me

V. Bozeman

I've been through enough shit  
And I normally don't speak on it,  
But now it's time for me to tell my story and you gon listen  
Oh lord,  
Started off deep in love, I was lost til I found out who you really were  
Now I know that no picture is perfect  
But I don't think that it can get much worsen than you're when you're bad  
When you're drunk and you're mad  
Talkin all out yo neck  
Thinkin I'm gon forget  
But I ain't bitter or mad  
Cuz I let all that shit go  
Mama ain't raise no fool  
You can let the next nigga know  
You can't break me, cause you didn't make me  
Cuz I can do bad by myself (I don't need you)  
Bad by myself (said I'm leavin)  
Bad by myself  
Bad by myself  
Cut this fire

Now I can cry and be bitter  
I'm not into wasting my time  
Oh I know I'm a real, real, real good woman so I bet a man won't be hard to find  
Believe me, I don't even think you need me  
After shows you be chasing after all the hoes instead of trying to see me  
But that's in the past cause I let all that shit go  
Mama ain't raise no fool  
You can let the next nigga know  
You can't break me, cause you didn't make me  
Cause I can do bad by myself (I don't need you)  
Bad by myself (said I'm leavin)  
Bad by myself  
Bad by myself  
I sure hate you in this way but after all the pain boy there is no other out there for me  
I was happy before you came along, I'll be fine when you're gone  
Still it hurts because I thought you were the one

Now I ain't surprised that you would take shit this far  
Thank God I know exactly who you are  
Am I flawless?...No  
Did I do it?...Yes  
Now that don't erase my mistakes but I'm man enough to admit  
Oh, I  
See we got kids and a house, we're a family  
I know I ain't perfect, but we're worth it  
Baby understand me  
Cause those that pray together gonna stay together  
So let's forget the past and make our future better  
Baby, I wouldn't make it if you leave me  
Cause I would do bad by myself  
(Baby I forgive you)  
Cause I don't want no one else  
(I'm not leaving you)  
Tried to leave me and I almost went crazy

Oooh, I'mma step outside and take me a smoke break  
Woman I'm not gon let you drive me crazy  
Woah I, no naw  
Sometimes a man makes mistakes  
Oh, oh, oh I  
Now when I get back have my tacos ready  
You crazy mutherfucker  
Tired of this shit  
You know goddam well I'm not going nowhere  
Said I'm trying my best oohhh, ooooh
