

Blue

V (BTS)

On and on and on
And my love
On and on and on
Can we go?
On and on and on
And tomorrow
On and on and on

What if I show you and make it all new?
Green, yellow, red, blue
Whatever seems good to you

Darege haru
Billyeo on byeoldeul
Neol bone modu
But baby, you're still blue, blue

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)

Yojeume jaju
Naeswineun hansum
It's sinking me too
Da malhae jwo jeonbu

So swing my way, baby
And let me close you
And feel the world move
Fly away, fly away

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)

On and on and on
And my love
On and on and on
Can we go?
On and on and on
And tomorrow

On and on and on

What if I show you and make it all new?
Green, yellow, red, blue
Whatever seems good to you

□□□ □□

□□ □ □□

□ □□ □□

But baby, you're still blue, blue

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)

□□□ □□

□□□ □□

It's sinking me too
□ □□ □ □□

So swing my way, baby
And let me close you
And feel the world move
Fly away, fly away

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)

On and on and on
And my love
On and on and on
Can we go?
On and on and on
And tomorrow
On and on and on

What if I show you and make it all new?
Green, yellow, red, blue
Whatever seems good to you

A day to the moon
Like borrowed stars
Everyone's looking at you
But, baby, you're all blue, blue

Blue, blue

Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)

These days
Deep sigh of relief
It's sinking me too
Tell me everything

So swing my way, baby
And let me close you
And feel the world move
Fly away, fly away

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

Blue, blue
Blue, blue
Blue, blue
Blue, blue
Blue

(Aah, on and on and on)
(Aah, on and on and on)
