

## Days

## Vacations

One by one, they come and go  
Never been stable, oh, I know  
As long as I can get by for now  
Working, not forever, I vow

Counting down the days  
When I can get away  
It's not out of sight but it feels so far  
It's not out of sight but it feels so far

I've done my time, I've had my share  
To know that I just don't care  
But as long as I can get by for now  
Working, not forever, I vow

Counting down the days  
When I can get away  
It's not out of sight but it feels so far  
It's not out of sight but it feels so far
