## Vacations

Sun shining through my window  
Everyone's awake but me  
Wish I wasn't so lazy  
It's no worries, I've got nowhere to be but home  
Life moves so slow when you're at home  
Life moves so slow

I'm so tired  
From doing nothing at all  
Wish I wasn't so lazy  
It's no worries, I've got nowhere to be but home  
Life moves so slow when you're at home  
Life moves so slow
