

# Love At First Sight

## Vacations

Thought that I was going crazy  
Just having one of those days yeah  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out and filled up the sky  
The music you were playing really blew my mind  
It was love at first sight

'Cause, baby, when I heard you  
For the first time, I knew  
We were meant to be as one

Was tired of running out of luck  
Thinking 'bout giving up yeah  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out and filled up the sky  
The music you were playing really blew my mind  
It was love at first sight

'Cause, baby, when I heard you  
For the first time I knew  
We were meant to be as one

Baby, when I heard you  
For the first time I knew  
We were meant to be as one

Everything went from wrong to right  
And the stars came out and filled up the sky  
The music you were playing really blew my mind  
It was love at first sight  
Love at first sight, love at first sight  
Love, ooh, it was love, it was love at first sight

'Cause, baby, when I heard you  
For the first time I knew  
We were meant to be as one

Baby, when I heard you  
For the first time I knew  
We were meant to be as one
