

# No Fun

Vacations

Lost and on your own  
Feels like you're far from home  
You move in circles  
Trying to find a better view

It's no, no fun  
It's no, no fun  
Trying to be, somebody  
Anyone, but you

Take it easy, don't rush  
There's no need to kick up a fuss  
Not long till you're out  
Try to forget your, your self-doubt

It's no, no fun  
It's no, no fun  
Trying to be, somebody  
Anyone, but you
