

## Off - Season

Vacations

For a moment in time  
We crossed each other's paths  
Two lost souls intertwined  
For reasons I don't know why

Off-season, a moment's rest  
Call it off, for the best  
No direction, I might be wrong  
Found a reason to move on  
I might be wrong

Thank you for your time  
I'll see you in the next life  
This isn't a goodbye  
This isn't goodbye

Watch my options disappear  
Find new life away from here  
Trying my best to swim  
Despite all of my fears  
Shaking hand with a smile  
A stranger turned into a friend  
How long 'til it comes to an end?  
'Til I start over again  
I'll start over again

Thank you for your time  
See you in the next life  
This isn't a goodbye  
This isn't goodbye  
This isn't a goodbye  
This isn't goodbye  
This isn't a goodbye  
This isn't goodbye
