

# Something Here

Vacations

Do you feel something here?  
Oh, I know anything could happen  
Do you feel it in the air?  
Oh, I know anything could happen

(I know anything could happen)  
(I know anything could happen)

Do you feel something here?  
Oh, I know anything could happen  
Do you feel it in the air?  
Oh, I know anything could happen

(I know anything could happen)  
(I know anything could happen)
