

Anger

Vader

ANGER!

HATE - All I see is blood red
PAIN - Like thorns in my heart
KILL - Cold steel in my hands
DIE - Those motherfuckers have to pay

ANGER! - My mind burns
ANGER! - All veins explode
ANGER! - Blinded eyes
ANGER! - And pain...

BURN - Fire walks with me
MADNESS - It is all I feel

Is there any chance - To save it all
And touch our Earth not soaked with blood...

HATE - All I see is blood
PAIN - Like nails in my hands
KILL - Many pierced fleshies
DIE - Now all have to pay

ANGER! - My mind burns
ANGER! - All veins explode
ANGER! - Blinded eyes
ANGER! - World's collapse! ...now
