

Dancing in the Slaughterhouse

Vader

Meet your destiny
Meet your judge, you will be free
My war is your war
Yes, your head belongs to me

Another dead nut
Another soul to God
"Alle Raus"
Dancing in the slaughterhouse

Wet hands, noise in head
Why my dreams are fuckin' mad
My crime is sentence
I wait for your deadly dance

Another dead nut
Another soul to God
"Alle Raus"
Dancing in the slaughterhouse

No way, I got to tell
You must look good
You will meet your god
Stand up, wake up bell
Leave my home, see you in Hell

Another dead nut
Another soul to God
"Alle Raus"
Dancing in the slaughterhouse

No way, I got to tell
You must look good
You will meet your god
Stand up, wake up bell
Leave my home, see you in Hell

Another dead nut
Another soul to God
"Alle Raus"
Dancing in the slaughterhouse
