Overkill

Vader

Only way to feel the noise is when it's good and loud
So good I can't believe it, screamin' with the crowd

Don't sweat it, get it back to you
Don't sweat it, get it back to you

Overkill, overkill, overkill

On your feet you feel the beat, it goes straight to your spine
Shake your head, you must be dead if it don't make you fly

Don't sweat it, get it back to you
Don't sweat it, get it back to you

Overkill, overkill, overkill

Know your body's made to move
Feel it in your guts
Rock'n'roll ain't worth the name
If it don't make you strut

Don't sweat it, get it back to you
Don't sweat it, get it back to you

Overkill, overkill, overkill
