

## Crazy

Vado

We came from the bottom  
We came for the gutter  
I just hope you got my back I know you my brother

Drive me crazy  
I'm missing my baby  
I was out there trying to get that work and go crazy oh  
I was out there trying to get that work trying to save me oh  
Said I was out there trying to get that work take care my baby oh yea  
Said I was out there trying to get that work and go crazy

See how we act when it comes to this money  
Moving funny these niggas out here just moving to bummy  
Play nice  
Niggas know I ain't never been dummy  
Give me that work I'll bring it back and turn it into hundreds  
Never fronting stay solid when you be out on the road  
Keep that respect and make sure you don't do nothing to fold  
Handle your business  
Get the money take care of your kids  
Teach them how to trick the system  
Stay way from them bids  
We didn't listen we didn't listen  
To much  
Pardon my back y'all niggas bare fiction  
Everybody think it's litterd till this shit get wicked  
You know these they be cap  
They be getting fitted  
I'm transmitted get litted this a different poster  
She said she love me get on top do it for the culture  
I'm transmitted get litted this a different poster  
She said she love me get on top do it for the culture

Drive me crazy  
I'm missing my baby  
I was out there trying to get that work and go crazy oh  
I was out there trying to get that work trying to save me oh  
Said I was out there trying to get that work take care my baby oh yea  
Said I was out there trying to get that work and go crazy

Yo puffin cuz of my problems  
Cover them up with diamonds  
Had a spot and put H in front of it like a Honda  
Look what I did for us  
Focusing on this doe  
But why it seem like  
We was closer when I was broke  
In the hood somewhere  
Knowing I'm post to be on  
The boat  
I'm where I'm comfortable  
Why this the only thing that I know  
Free my nigga fonz three fs  
He a recidovis  
Took twenty and doing eighty five percent of it  
It's crazy

Drive me crazy  
I'm missing my baby  
I was out there trying to get that work and go crazy oh  
I was out there trying to get that work trying to save me oh  
Said I was out there trying to get that work take care my baby oh yea  
Said I was out there trying to get that work and go crazy

Yo I'm and out of town  
You wouldn't find me much  
Half a pound with 90 vials on the the Chinese bus  
If I'm down I'm not around  
Till you find me up  
Not a sound but I'm loud and these diamonds uh  
Got twenty thou in the dial  
Never mind these cuts  
You let it pow till it's wild  
Where they hide these bucks huh  
The black mamba persona  
With two fours  
Gabanna crewneck shorts  
Madonna from next door

Drive me crazy  
I'm missing my baby  
I was out there trying to get that work and go crazy oh  
I was out there trying to get that work trying to save me oh  
Said I was out there trying to get that work take care my baby oh yea  
Said I was out there trying to get that work and go crazy
