Most these rappers is so, so, so  
So I'll just go in instead  
I told Vado watch, I turn the icegrill to a clear face  
Like a Mavado watch  
Your girl suck me off, I don't know her name  
I know her head was solid gold like Notre Dame  
I can break a brick on Saint Nicholas into new shit

Tb and quick as yours, you niggas I be spitting with

With your candy bars, I'm the boarder day  
And the man to mar, das
