

## Walk (Freestyle)

Vado

(Noises!)

[?] make sure my voice clear...

Uh

Hard work beats talent, when the talent don't work hard  
Cook it up make the work hard  
Bag it up get the work off  
First off you the first off  
No need 'take the fur off  
Shoot the block like birdoff, cause the birdgang to get a bird off... (yeah)  
Designer name on a tube sock  
Paper planes of the moonrock  
Rap game like the jukebox  
Let it down like AZ 'fore the 'scape key was the roof top...  
Hate me cause your crew pop  
Spilled tea have your crew mopped...  
I ain't in to you niggas  
Why pretend to you niggas?  
I'm not a friend to you niggas  
Fuck broke, ya'll look lost, I'm 'posed to win with you niggas...  
One flow dimensional niggas  
Who recommended you niggas? (haa)  
Where the fuck did they come from?  
Type niggas that like bein' round money but don't ever want none  
Get 'em clipped 'fore the blunt done  
Chick on me I don't want hon'  
E'ry time the bird fly through I shoot em down like duck huntin'...  
E like "the fuck is up son?"  
Need that OV back  
Goofy niggas tryin'a ease back  
Give the streets that watch the feedback...  
I understand I pose a threat  
Man's man have no regrets  
Not a fan? Then you overslept... (yes)  
Like "damn he ain't over yet?"  
Moncler pull over vest  
Roc-Air's be the Hova checks...  
Oh we call those the Hoffa's  
Organized like the mobsters  
Porterhouse with the lobsters  
Not the type that's quick to wife  
Every bad bitch ain't a Oscar  
Like every dread ain't a rasta  
Cartier check the posture...  
L-smoke let's smoke somethin'  
Need coke, that boat comin'  
Real one, don't know nothin'...  
Real one won't post nothin'  
Take this you owe nothin'  
I got work that [?]  
I just want to see you win more  
Trade places like [?]  
Cute faces get sent forth of the tenth floor of the Windsor  
River road where the benz roar  
Swimmin' pool got it indoor  
God forbid anything him pour

Need ill sauce for this tempur...
