

Icy

Vain

Well somehow Icy went astray  
Bars are cold but she's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that  
Icy went so far away  
Red light blue light but she's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that

Icy  
She's goin' to heaven  
Icy  
'Cause she's been through hell  
Icy  
Will they find you  
Is it true what the people say

Icy's gone she ain't comin' back  
She lives alone behind a wall of black  
Icy's gone she ain't comin' back  
Jumped through and ran off the tracks

Well somehow Icy went astray  
Bars are cold but she's a hard girl  
Don't you know don't you know that  
Don't you know don't you know that

Icy  
She's goin' to heaven  
Icy  
'Cause she's been through hell  
Icy  
Will they find you  
Is it true what the people say

Don't you know don't you know that  
Don't you know don't you know that  
Don't you know don't you know that  
Don't you know that I'll find you Icy

Icy's gone she ain't comin' back  
She lives alone behind a wall of black  
Icy's gone she ain't comin' back  
Jumped through and ran off the tracks (Now is it true)

Icy's gone she ain't comin' back
