

Ceased Emotions

Vains of Jenna

Come on everybody, let's go!
Oh yea!

She is like a machine, yea!
That's why i fell in love
Everyday is like a dream
No I'm running wild because i got blind

Oh girl, oh yea
Things got to change

Now days she's an empty soul
Nothing seems to be for me anymore
I said it can't be like this
I leave it all
Shut up!!!

Oh girl, oh yea
Things got to change

I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby, there's a better place for me!

Kin...

I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby...

I said
Hey there baby i don't want you no more
Your eyes look so bad, i'm so fuckin' bored
Now i'm leaving just to get away
Bye-bye baby, there's a better place for me!

Yea!!
