

## 2 Days

Valee

I been up two days  
I been up two days, no sleep  
Rio Mac on the track  
Been up two days, no sleep

I been up two days, no sleep  
I'm stuffin' four grams of OG  
I pour a whole eighth of codeine  
I make it four ways in one week  
You know this coupe cost a four piece  
I flex, jet skis on the ocean

My bitch is bougie, aye  
Margiela shoelace  
Coupe snatchin' in place  
I stack a blue face  
I been up two days with no sleep  
It's in the suitcase  
I drank a whole eighth of codeine

I marry blue face  
It caught the bouquet  
I'm drinkin' D'USSE  
Ten racks on 2K  
[?] schemin' Kool Aid  
Two door in two lanes  
Two ho in Dolce  
She from the Ukraine  
She my lil cute thang  
She role a whole zip of OG, yeah  
I take a bitch with me OT, yeah  
Car, man, start up with no key, yeah  
Walk into Blue Flame  
Pull up in that new thang  
Paint look like cocaine  
Look like I hopped out a airplane  
All in Miami at Manolo kickin' it, Liu Kang  
These bitches act like they know me  
I fuck up loose change  
I'm playin' Wu-Tang  
I do what you can't  
She my lil boo thang  
I make her roll up the whole thang

I been up two days, no sleep  
I'm stuffin' four grams of OG  
I pour a whole eighth of codeine  
I make it four ways in one week  
You know this coupe cost a four piece  
I flex, jet skis on the ocean

My bitch is bougie, aye  
Margiela shoelace
