Valee

My car so fast  
I'm gon' fly right past you (cash, cash)  
My bitch so bad  
And got a fat ass too (a fat ass)  
I like rubber bands  
I don't my cash loose (don't my cash loose)  
Blue faces  
I just like my cash blue (like my cash blue)

Check me out, bad bitch  
Front seat, slut piece  
Make it out, paper out  
Paper route, vapour loud  
Backwood, OG gas  
4 grams, that about  
Santan, pink molly  
Small rock, nice amount  
Fast ass 4 wheeler, dirt bike  
Bought it out, race it out  
Runnin' from the police  
Made it out, Supersports  
Stick shift, start it up  
Shakin' now, that my bitch  
Ass thick, pokin' out
