

## Bummin'

Valee

From Cabella's and a pump

Yeah

Got the stick with me, so you know how I'm bummin' (bummin')

Ten racks in ones, I got that VLive money (yeah)

Throw it all at once, I got that knee high money (I got that knee high money)

Coupe got extra horses, I got that "hee haw" money ("hee haw" money)

Yeah

Don't get your ass popped, I got that knee high money (knee high money)

Everybody dead in my pocket, quiet money (quiet money)

Cold heart, uh uh, you should know how I'm bummin' (yeah)

Four o'clock from Cabella's and a pump (I did)

My bitch want a purse, I'm like, "Nah, for what?" (for what, for what)

Shoot you, wet, it hurt, you like, "Aw, for what?" (yeah)

Kids from overseas came on boat last month (yeah)

Bad bitch, all I want is throat and tongue

Flew her in, flew her right back out for fun (right back out)

I [?] right away, don't take back a none

Bought a steak, it was like a thou' and some (yeah)

Might give my Spanish bitch a child or something (yeah)

Yeah, I stack it up, I can't be broke, for what?

Can't make my car start with no remote or nothing (yeah)

OG gas so loud, I'm like, "Is this dope or what?" (yeah)

Got the stick with me, so you know how I'm bummin' (bummin')

Ten racks in ones, I got that VLive money (yeah)

Throw it all at once, I got that knee high money (I got that knee high money)

Coupe got extra horses, I got that "hee haw" money ("hee haw" money)

Yeah

Don't get your ass popped, I got that knee high money (knee high money)

Everybody dead in my pocket, quiet money (quiet money)

Cold heart, uh uh, you should know how I'm bummin' (yeah)
