I was rocking Gucci flips, no laces this way
I was riding coupe, bitch, not today but that day
I poured the four with no Hi Tech cap, took that bitch that way
I got a bad bitch, she slim, I like her that way

That way, that way, that way, that way, that way, that way
Foreign cars parking, this way, that way, that way
That way, that way, that way, that way (that way, that way, that way, that w
ay)
I fucked a bitch and told her turn this way, not that way

You won't be here tomorrow if I shoot this that way (that way)
[?] probably come from that way, this way, that way (that way)
I got it on 'cause I know today not that day (not that day)
