Bouncin' with six sluts at the Four Seasons
And my motor breathin', I'm at Ruth's Chris feastin', yeah
Fill the coupe up too much, I spill gas
Rolled up, I spill gas, tap the gas, it snatch, yeah
I just walked in Saks and spent some cash, yeah
I just threw some knots off in my stash, yeah
I just parked on Jackson in the Jag, yeah
Juicy, she got Chanel on her back, yeah

My ex-ho was fussin' for no reason
Shoes, these overseas, snatched off, no key needed
Sheesh, I got these wounded ass kicks on my feet bleedin'
Bitch, I'm with a Greek fiend, fuckin' then I'm leavin'
Sheesh, I got this ounce of dope on my lap and it's seedless
Me and your ho strangers, chasin' guap and cheesing'
Yes, just bought this ratchet ass Glock, use for defence
Squeeze it without thinkin', and I'm sippin' pink shit
Fried your last petal, slap it and start geekin'
Coupe filled up with gas, I can't use that cheap shit, yeah
Got this boujee ass bitch I always be with
Always spillin' gas, act like we don't need it

Bouncin' with six sluts at the Four Seasons
And my motor breathin', I'm at Ruth's Chris feastin', yeah
Fill the coupe up too much, I spill gas
Rolled up, I spill gas, tap the gas, it snatch, yeah

Fill up fifty on fifteen
Push that button and fuel, no keys (skr)
Backwoods filled with gasoline (yeah)
Ride with all my day one niggas, like tires, they roll with me
96 plus 4 with me (100)
Get bread and then count loaf with me (money)
Got 36 onions in my bag, call it groceries (what)
