I'm smokin' nothin'

Huh

I'm smokin' nothin' but exotic in the straight  
I'm gettin' sleep but it's on accident  
My bitch is bad and she got a accent  
I can't recall where the last \$20,000 went  
I'm from the projects and I want a Bentley  
I want the fast one, it should have an extra vent  
I'm finna roll down, I'm gettin' tired of extra rent  
My out west bitch call me zaddy, I pays it  
I still might do it for you off the strength  
I got the stick, don't really have to work on strength  
Ice on my left wrist and I got that takin' risks  
I smoke exotic, sound like standin' ovation  
I don't got time for bitches, so waitin' list  
I got OG gas so loud, that shit sound like Mike WiLL Made-It

Hmm, hmm, hmm, hmm, hmm, hmm

Hmm, hmm, hmm, hmm, hmm, hmm, hmm

Hmm, hmm, hmm, hmm, hmm, hmm
