

Jay Leno

Valee

At the bank, gettin' out twenty racks
You worried 'bout change for your twenty back
I'm in a old school with the dope in the back
I might rock Hermès in the Cadillac
I'm smokin' exotic, no cataract
I got a bad bitch, know how to act
Man, I fuck her three times, I'm tired of that
I'm in a new Benz with blue windows
I'm parkin' it straight indoors
I might buy a Ferrari Enzo
I'm waitin' on you like I'm loadin'
I'm in some expensive clothing
I got some bread but not a loaf
My Asian bitch say "Da da do"
I fuck that bitch then have to go

I fuck on your main and then give her back
I got three iPhones on contract
You see my bitch thick without contacts
My old school look like Jay Leno's
My dick in her mouth like Mentos
She swallow me like Del Frisco's
It's cash in my pocket, no lint though
I'm rockin' Balenci', no insoles
I came up ten thousand on Baccarat
I'm in that bitch stomach like glucose
I'm sippin' Hi-Tech with no lactose
I might buy a Corvette with no nose
You lookin' around for who rent those
Louis Vuitton sweater, no Winslow's
I might rock designer with RICH\$O
I got your brunettes, they rich hoes
I mounted up sixes at Fifo's
It might rub a little bit in the back
Them Percocet 30s, stay off of that

At the bank, gettin' out twenty racks
You worried 'bout change for your twenty back
I'm in a old school with the dope in the back
I might rock Hermès in the Cadillac
I'm smokin' exotic, no cataract
I got a bad bitch, know how to act
