

## Juice & Gin

Valee

Rio, Rio, Rio, Rio

My bitch ass is smooth like Reposado, I hang with Mexicanos  
Never wanted a condo, ain't got the windows or condos  
Alloy 5-blade Vellanos, no tire shine, leave that dry, dry  
I bought my mama a sawed off, bye bye  
Bitches still live outside all I make is knots, not ties  
Chase bitches, not on my time, can't hit me less on the 5 side  
But no, I'm not no Stone, it's stones on my left wrist, my neck  
too  
Bought my bitch a Pandora bracelet, no glis' but her neck do  
Me and my niggas come up on you like front steps do  
Got money stacked too tall, had go get a step stool  
Don't run up, I shoot y'all, nobody gon' help you  
My wet slut live in Duval, swimmin' like Michael Phelps do  
Your pocket flat like wall, I'm high like a John Wall oop  
I can't deny, y'all, my bitch wet

My diamonds clear like motherfuckin' juice and gin (diamonds)  
Fuck my Pasadena bitch from back to Juice & Gin  
I got aim with that small 9, I fuck 'round, shoot your chin  
Percocet hit you so hard, might drop your juice and gin  
Diamonds clear like motherfuckin' juice and gin (diamonds)  
Fuck my Pasadena bitch from back to Juice & Gin
