

# Million Dollars

Valee

And this beat by ChaseTheMoney, he gon' sell some dope with me

I just wanna fuck your bitch on a million dollars, aye  
Stackin' up the guap until I see a million dollars, aye  
It's a good girl, oh yeah, it's a bomb bae  
I had took the lean and I mixed it with some Bombay  
Old school's clean, I was showin' that bitch off  
Tappin' on the gas, I was snatchin' in it often  
Old bitch was trippin', I had told that bitch get lost  
Waitin' on my shipment, I don't think that shit took off yet

Got the lean in the cup, I need some pop with that  
In the loft, fucked your bitch in that  
Balmain, gotta get the hand wash, rinse that  
Racks don't fold, I guess these different  
New two door and it's all tinted  
Molly rock, it made you dance, didn't it  
New bitch racist, gotta get a million dollars  
I just bought some pink molly rock for fifty dollars  
Gave my bitch 200, sent her to the beauty parlor  
Bitch was suckin' on my dick so good, I felt her tonsils  
I just paid the club to wipe the coupe for fifty dollars  
I just got this new hoe number, but I didn't call her

I just wanna fuck your bitch on a million dollars, aye  
Stackin' up the guap until I see a million dollars, aye
