Hi-Tech in the Minute Maid, but I'm not a minute man

You gon' be one if you can

That Fendi clip I saw you with, hope you got that  
Hope you don't run up, you gon' be one in the can  
High fashion jeans I'm still washin' with cheap detergent  
Won't warm my bread up, too much if I can

Yeah, nineteen hundred and thirty six dollars on undies  
I might get her a Giorgio Armani women's department onesie  
I lost \$5000 at the club, but I'm not clumsy  
I fuck her and leave, now she callin' me Humpty Dumpty  
I really might hit auntie and just wild out with my auntie  
New condo, I might give your main bitch her own key
