I got them racks  
All on my bed  
And if I spend it  
She gon' be sad  
I fuck your bitch  
All on the bed  
Open her legs  
Then I got head  
I got them racks  
I got the stacks  
All on my shoes  
Call me two stacks  
I got them racks

Look at my bitch  
Got a fat ass

Look at my bitch, she got a fat ass, she calling me dad  
I walked in the store, I got me some Gucci, I didn't give it back
