

## Seen That Before

Valee

Rio  
Uh  
Rio Mac on the track

I got a bad bitch in heels  
And she got on designer thrills  
Let me know, have you seen her before?  
Have you seen her before?  
I got a bad bitch in heels  
And she ride Forgiato wheels  
Let me know, have you seen her before?  
Have you seen her?

Have you seen her?  
Mercedes Benz speakers, ooh woah  
I got a bad bitch, just the kind you want  
She got a big ass, see that from the front, yeah  
And I  
Took the Backwood and you know I stuffed it all, yeah  
And I  
I'm in the old school, topped it off, I'm snatching off

I got a bad bitch in heels  
And she got on designer thrills  
Let me know, have you seen her before?  
Have you seen her before?  
I got a bad bitch in heels  
And she ride Forgiato wheels  
Let me know, have you seen her before?  
Have you seen her?
