

I threw 60 racks and it came back  
I was gettin' some neck from a nat, gave her brain back  
Please don't ask me if I'm done with your bitch, no not yet  
Thirteen racks on new Yves St. Laurent, look like I made that  
I got 20 racks stuffed inside my fuckin' skinnies, bitch  
Fuck that ratch, you are nothin' but another skinny bitch  
I got 20 racks for a new sady bitch  
20 racks in my mothafuckin' skinnies, bitch

Still off that codeine, I ain't piss yet  
I got 26s, where the bottom of my whip at?  
And my mothafuckin' bitch a redhead  
Yellow bone, bitch, yeah, walk around in somethin' red then  
I just paid 2 thousand for some Cristian Lou', not knockoff  
Waitin' on plug to pull up with that Actavis, not knockoff  
Better not pull up with that fuckin' Hi-Tech shit, not at all  
I just pushed up in some new designer shit, not from the mall

I threw 60 racks and it came back  
I was gettin' some neck from a nat, gave her brain back  
Please don't ask me if I'm done with your bitch, no not yet
