

# Started Off My Day (Hey)

Valee

Started off my day like this  
ChaseTheMoney, ChaseTheMoney

Started off my day like this, hey  
Started off my day the best, way  
Fucking all my hoes the best, way, aye  
Started off my day the best, way

Thick hoes, thick hoes in my coupe today, yeah  
Big fur, big fur, big fur, no top, no way, yeah  
Sip syrup, sip syrup, that's twice a four, today, today  
And yesterday, a eight  
Switch rides, four doors, switch lanes, dodge potholes, okay  
My bitch is bad, above average, all ways, yeah

Started off my day like this, hey  
Started off my day the best, way  
Fucking all my hoes the best, way, aye  
Started off my day the best, way

Thick hoes, thick hoes in my coupe today, yeah  
Started off my day like this
