

Yeah, do you feel me, do you feel me
Do you feel me, do you feel me, feel me
Do you feel me

Ain't no handouts, boy she bad like watch ya mouth
I got stains spilt on plaid, had hand rinse and wash it out
Bitch worth half a mil, I can take your doctor out
Condos are duplex, you can take the carpet out
Yeah, I can hit a lick without a mouth
These bitches busy bees, they be bugging out
Yeah, blue honey on me, look like we been holding out
Tunnel vision only count the carpal tunnel out

Yeah, do you feel me, do you feel me
Do you feel me, do you feel me, feel me
Do you feel me

Yeah, ain't no more droughts, I spent stacks on carry out
Don't know dumb shit carry out, FN get you carried out
I left home alone but I brought dirty Harry out
Bitch my heart is chrome, you wipe me down with terry towel

Yeah, do you feel me, do you feel me
Do you feel me, do you feel me, feel me
Do you feel me

Ain't no handouts, boy she bad like watch ya mouth
I got stains spilt on plaid, had hand rinse and wash it out
