I'm wrappin' it up, like Reynolds
Six thou' on the fit, look like plain clothes
My coupe fast as fuck, fuck popo

I'm up at 4:30, but I don't work though
I'm off a Perc 30, I don't know
I'm smokin' exotic, sound like for what though
I'm in the two-door, it sound like a truck though
I'm ridin' offsets and they on Pirellis
I spent three thousand on tires and they not Toyo
Money in my pocket, I don't got no fifties or twenties, that's nothin' new

I got pocket rocket, 40 with 30, that snub nose
I got bad bitches rockin' new skirties, but she not flirtin' th ough
I be drivin' like Kentucky Derby, push button though
I got bitches showin' up uninvited, I fuck though

Lately, I been really high off the xanny buzz
Last night, I was so high I was in the stars
Hit the dash fast, hit your block and we pullin' cards
On the block, we was trappin' hard 'cause it's stack or starve

Lately, I know that some niggas, they hate me
Daily, I'm in the trap on the daily
Don't play me, you play with that money, we spray heat, yeah
Exotic my wood, I'm dizzy, you shot at my hood, get busy

I got pocket rocket, 40 with 30, that snub nose
I got bad bitches rockin' new skirties, but she not flirtin' th ough
I be drivin' like Kentucky Derby, push button though
I got bitches showin' up uninvited, I fuck though
