It's a couple cups inside of this cup  
Not even, bitch, you want a hiccup?

I pour up inside a Sunny D  
Like we at OJ the juice house  
I pull up with 100K on me

I pour up inside a OJ juice  
It's a 32 ounce

Spend 6G on a new couch  
I slide on you like a track pad  
In that Range Rover, I do Minnie Mouse  
Like where Mickey Mouse at?  
Gucci track suit that bitch  
White like sheep, but not bad  
My new spot got 20 TVs  
I might make ComEd mad  
When she pull up in Chanel I get rid of her BD  
I pull up in shell  
Getting head like a BB  
Bitch, you're really wet

When I fishtail bitch a crawfish  
Baby, blue plate with loaded sushi

Bitch, rocking ice  
Don't act like a light switch  
Now it's off

Load up the car  
Ride round with the iron  
Lower cross  
I'm like, I miss you  
My new bitch  
Honest, fresh and soft
